प्रॉपर्टी के बिजनेस में जहां लोग बरसों तक काम करने के बाद भी ग्राहकों का भरोसा और सफलता हासिल नहीं कर पाते हैं वहीं एक 29 साल के युवा ने महज 2 साल के छोटे से समय में यह करिश्मा कर दिखाया है। हम बात कर रहे हैं देवास जिले के छोटे से गांव किरलोदा-बी के 12वीं पास सुनील मालवीय को। हमेशा से कुछ बड़ा करने का सपना देखने वाले सुनील ने अपने विनम्र स्वभाव और दृढ़ निश्चय जैसे गुणों के चलते बहुत कम समय में बुलंदी को छुआ है। हालांकि, सुनील का मानना है कि अभी तो उन्होंने काम शुरू किया है और लक्ष्य अभी दूर है इसलिए वे अपने कर्म की राह में पूरी हिम्मत और दृढ़ता के साथ लगातार चल रहे हैं। आईए जानते हैं जीवन में काम को सबसे ऊंचा दर्जा देने वाले सुनील को कहानी उनकी की जुबानी-

**केवल लीगल प्रोजेक्ट पर करते हैं काम**

आरएनटी इंफ्राटेक प्रा.लि. कंपनी एक रिपल एस्टेट मार्केटिंग कंपनी है। इसके माध्यम से हम लोगों को उनकी आवश्यकता और एस्टेट के अनुसार प्रॉपर्टी दिलाने में सहायता करते हैं। हमारी टीम हर प्रोजेक्ट के लिए एक खास स्ट्रैटेजी बनाकर काम करती है। मैं हमेशा अपनी टीम को यही कहता हूँ कि जब कोई व्यक्ति घर खरीदता है तो वह अपने जीवन भर की पूंजी हमारे विश्वास पर किसी को सौंप रहा होता है, इसलिए हमारी जिम्मेदारी होती है कि उनका पैसा किसी गलत प्रोजेक्ट में न लगे और कस्टमर को उनकी मनी की प्रॉपर कैरिंग मिल सके। हमारी कंपनी हमेशा लीगल प्रोजेक्ट पर ही काम करती है और अपने कस्टमर को प्री और पोस्ट सर्विस देने के लिए हम हमेशा तैयार रहते हैं।

**पापा ने पढ़ाया नम्रता का पाठ**

मेरे इस संघर्ष में मेरे परिवार ने मेरा पूरा साथ दिया है। जब मैं नौकरी कर रहा था, तभी एक बार मेरे पापा ने मुझे हमेशा विनम्र व्यवहार रखने की सीख दी थी, उनको यह सीख आज मेरे व्यवसाय का हिस्सा बन चुकी है। मेरे कई कस्टमर मेरे व्यवहार से प्रभावित होकर ही मेरे साथ बिजनेस करने को इच्छा व्यक्त करते हैं। यह मेरी सबसे बड़ी जीत है कि मुझे ज़रूरी मेरे कस्टमर अपनी हर प्रॉब्लमों को मेरे माध्यम से ही कराने को इच्छा रखते हैं।

**उद्देश्य** - ज्यादा से ज्यादा लोगों को उनकी आवश्यकता अनुसार घर उपलब्ध कराना ही मेरा उद्देश्य है। इसके साथ ही मैं अपनी पूरी मेहनत से काम करने अपनी कंपनी को विश्व की प्रसिद्ध कंपनी की सूची में लाने का विजन भी रखता हूँ।

राम मंदिर हिंदुओं के लिए एक महत्वपूर्ण धार्मिक स्थल है। यह माना जाता है कि भगवान राम का जन्म अयोध्या में हुआ था। मंदिर का निर्माण भारत देश के लिए एक लंबे समय से प्रतीक्षित सपना था और इसका उद्घाटन इतिहास के पन्नों में हमेशा के लिए दर्ज हो जाएगा। अयोध्या में राम मंदिर का निर्माण केवल एक धार्मिक उपक्रम नहीं है, बल्कि सदियों से चले आ रहे विवाद के समापन का प्रतीक है। यह मंदिर एक आशा की किरण बनकर उभर रहा है, जो राष्ट्रीय गौरव और एकजुटता की भावना को बढ़ावा दे रहा है। मंदिर निर्माण पूरा होने से दुनियाभर के भक्तों और पर्यटकों को आकर्षित करने की उम्मीद है, जिससे अयोध्या एक महत्वपूर्ण तीर्थस्थल और सांस्कृतिक केंद्र बन जाएगा। मर्यादा पुरुषोत्तम श्रीराम श्रीहरि विष्णु के दस अवतारों में से सातवें अवतार थे। बारह कलाओं के स्वामी श्रीराम का जन्म लोक कल्याण और हंगामों के विनाशक आदर्श मानव बनने

# MAJOR FACTOR

**RNT Infratech** excels by offering personalized, trust-driven, and location-focused solutions, distinguishing itself from general real estate providers.

01

## Desire

Our strong desire to deliver the best real estate solutions drives everything we do. We are committed to helping clients achieve their property goals with confidence and satisfaction.

02

## Creative

We bring creativity into planning and execution by offering innovative property options, smart layouts, and future-ready developments that match evolving market needs.

03

## Responsibility

We take full responsibility for every transaction, ensuring transparency, legal clarity, and a smooth end-to-end process from site visit to possession.

04

## Development

Focused on continuous growth, we develop high-potential projects in prime locations like Indore's emerging corridors, ensuring long-term value and investment security.

05

## Relations

We believe in building lasting relationships, not just closing deals. Our client-first approach creates trust, loyalty, and long-term partnerships.

06

## Concept

Our concept is simple—deliver reliable, transparent, and value-driven real estate solutions that make property buying easy, secure, and rewarding.

# PROBLEM

## A Brief Story About The Problem

The real estate market is often filled with uncertainty—buyers struggle with lack of transparency, unclear pricing, legal complications, and poor guidance. Many individuals invest their life savings without proper knowledge, leading to wrong decisions and long-term dissatisfaction. This gap between expectation and reality is where most problems begin.

At RNT Infratech, we observe these challenges with an eagle-view approach, understanding both macro and micro-level issues to create better solutions. Our strength lies in identifying problems differently—by focusing on trust, clarity, and personalized support, which becomes our biggest advantage.

### Society

Lack of trust and misinformation in the real estate sector often leads to hesitation and fear among buyers, affecting their confidence in making the right decisions.

### Environment

Unplanned developments and poor infrastructure planning create challenges in choosing the right location, impacting long-term value and lifestyle quality.

### Climate

Changing environmental conditions and sustainability concerns demand smarter, future-ready developments that ensure durability and better living standards.

# SOLUTION

## A Brief Story About The Solution

We believe that real estate solutions should not just solve problems—they should simplify the entire journey. By combining market research, location analysis, and client-centric strategies, we create solutions that are practical, reliable, and easy to adopt for a wider audience.

Our solutions are backed by precise data and deep market understanding, allowing us to guide clients with clarity and confidence. From property selection to final possession, every step is designed to minimize risk, increase transparency, and deliver maximum value. We focus on making real estate decisions smarter, faster, and more secure.

## Market Driven Basic Implementation

We implement strategies based on real-time market trends, demand analysis, and location potential, ensuring clients make informed and profitable decisions.

## SEM Implementation

Leveraging digital platforms and smart marketing strategies, we connect the right buyers with the right properties, enhancing visibility and reach.

## Decrease Industry GAP

By improving transparency, simplifying processes, and offering personalized guidance, we bridge the gap between customer expectations and actual market practices.

S
